ATHLETIC HANDBOOK FOR STUDENT ATHLETES

This athletic handbook is designed to inform athletes and their parents or guardians of the rules, regulations, and information that helped develop the rich tradition of competition at Rutland High School. Participating in high school athletics is a privilege that carries with it honor, responsibility, and sacrifice. Since competition is a privilege and not a right, those who choose to participate will be expected to follow the Code of Conduct established by the administration along with additional specific coaches' rules for their sport. You are expected to represent Rutland High School, your family, and community in a positive manner. The policies in the handbook apply to all GHSA sanctioned sports and Rutland High School sanctioned club sports.

PHILOSOPHY OF RUTLAND HIGH SCHOOL ATHLETICS

The philosophy of the Rutland High School Athletic Department is to provide the best opportunities for its student-athletes to excel in stewardship, scholarship, and sportsmanship.

PURPOSE OF RUTLAND HIGH SCHOOL ATHLETICS

The primary purpose of athletics is to help young adults grow into respectable citizens. By following the guidelines set forth in this handbook, the ideals you exemplify in athletics will become a part of your personality and character, which will be a model to those who watch you perform. You assume many responsibilities when you wear the colors of Rutland High School. Most athletes are responsible people and succeed because of this characteristic. Those who fail to meet their responsibilities, as an individual and/or team member, may be a detriment to themselves, the team, and the school. Interscholastic athletics, historically is a significant part of the total education program, contributes effectively to the lives of the participants by providing competitive opportunities, fostering initiative to succeed, providing leadership experience, and numerous opportunities for self-discipline. You have inherited a great athletic tradition built by many coaches and athletes over a period of years.

One of your challenges is to contribute to that tradition with your best efforts and enjoy a very satisfying experience. The “successful” Tradition of Rutland High School Athletic Programs involve responsibilities for all prospective and participating athletes. Those entering the program should have an idea of these responsibilities and have the willingness to accept and maintain them.

Taking advantage of the opportunities presented by the Rutland High School Athletic Department can contribute to the success that will be yours as you participate in the future.

RUTLAND WAY FOR STUDENT ATHLETES DEFINED

A student athlete is defined as all young men and women who represent a team that engages in interscholastic competition, student managers, statisticians and all other students who may assist a team. Athletes are expected to participate in whole school sponsored events such as student-led conference, open house, class night, and parent night.

ELIGIBILITY STANDARDS FOR PARTICIPATION IN ATHLETICS AT RUTLAND HIGH SCHOOL

The Georgia High School Athletic Association and the Rutland High School Corporation both have minimum requirements for participation in high school athletics, conditioning programs and camps. Failure to meet these requirements will render that student athlete ineligible for participation. The following are basic requirements for athletic participation at Rutland High School that must be met before participation can begin.

- Students new to Rutland High School who have transferred in from another high school are ineligible until a GHSA Athletic Transfer Form (Form B) from the previous school has been completed and ruled upon by the GHSA. The new student, through the athletic office at Rutland High School, must initiate this transfer. The athlete will not be allowed to participate with a team until the transfer has been completed.

- The transfer student must have been in good standing in their previous school to begin participation at Rutland High School. Penalties imposed by the athletic department and/or the previous school's administration will be applied, or the equivalent Rutland High School athletic department penalty will be applied to those students transferring into Rutland High School. Student athletes who have been denied athletic participation at the previous school will be denied participation at Rutland High School.
- Every Rutland High School student athlete is required by the GHSA and the Rutland High School Athletic Department to have a GHSA physical examination form completed, on file with the athletic office, and uploaded into DragonFly before conditioning, participation in a camp, and when practice begins in any sport. Physical exams are the responsibility of the athlete and their parents.
- Student athletes must pass at least five out of seven classes to be classified as eligible. Grades will be checked at every progress report.
- Student-Athletes are required to pay an annual **\$50.00** participation fee each school year. The athletic participation fee is non-refundable.
- The athletic participation fee provides access to all **home regular season games free of charge.**
-

PARTICIPATION STANDARDS AND GOOD SPORTSMANSHIP FOR RUTLAND HIGH SCHOOL STUDENT ATHLETES

The following Participation Standards for Student Athletes and Good Sportsmanship for Student Athletes reflect the standards by which Rutland High School and its athletic department expect our student athletes to abide. Participation by student athletes is a privilege, not a right. It must be earned through persevere, through challenges, having respect for all, investing in your learning environment, demonstrating strength of character, and epitomizing excellence. The coaches of each sport, with the authority of

the athletic department and the high school principal, will enforce the specific elements of the Code of Conduct.

PARTICIPATION STANDARDS FOR RUTLAND HIGH SCHOOL STUDENT ATHLETES

- Athletes are responsible for their uniforms and equipment. The athletic department will replace uniforms and equipment damaged or destroyed by competition. Student athletes will reimburse the athletic department for uniforms and equipment that has been lost or damaged.
- The coaches of individual teams may supplement the Rutland High School Athletic Handbook with their own addition or rules that are specific to their sport. These rules carry the same weight as do those of the athletic department and may carry specific penalties that would be administered and enforced by the coach of that team.
- Rutland High School student athletes are expected to be a positive role model to the other students in our school and to the young people of the Rutland High School district.
- Grade checks for in-season athletes will be performed weekly. The Athletic Director or Assistant Athletic Director will provide each Head Coach with a list of athletes whose eligibility is in danger based on class grades posted in Infinite Campus.
- Student-Athletes who are failing 3 or more classes will be permitted to practice or participate in a game on Monday and Tuesday. Grades will be checked again each Wednesday morning to determine if eligibility is lost. If eligibility is lost, the student-athlete may not participate in that sport for the rest of the week.

Student athletes are expected to read, understand, and abide by the rules found in this handbook.

STANDARDS OF GOOD SPORTSMANSHIP

Good sportsmanship will always be a focal point of the Rutland High School Athletic Department. It will be reflected in how we treat our teammates, coaches, officials, and opponents.

- Student athletes at Rutland High School will place the positive and supportive relationship with their teammates and coaches as their highest priority. Regardless of the sport, individual or team, we are only as strong as how we treat each other.
- After all contests, Rutland High School athletes are expected to shake hands with the athletes and coaches from the team(s) that we have competed against.
- After all contests, regardless of whether we agree or disagree with their calls, Rutland High School athletes will thank the officials for their work in officiating the contest. Players are expected to stand or kneel whenever the alma mater is playing.
- After any contest where ribbons, medals or trophies are presented to the opposing team(s), Rutland High School athletes will stay and watch and applaud the efforts of the athletes and team(s) involved in that contest. At no time with Rutland High School athletes ever leave the field or floor while a presentation is being made.
- Rutland High School athletes will not use inappropriate language while taking part in any contest.
- Though all sports have some level of physical contact and recognizing that hard physical aggressive contact is a major and important part of all sports, at no time will a Rutland High School athlete engage in physical play that would result in unsportsmanlike conduct that would jeopardize the safety of the opposing athlete or the integrity of the Rutland High School team.

GENERAL INFORMATION FOR STUDENT ATHLETES

Accidents/Injuries: All accidents or injuries incurred in practice or a contest in the GHSA sanctioned sports are to be reported to the ATC Leah Robinson and coach immediately. All accidents or injuries incurred in practice, or a contest are to be reported to the coaching staff immediately. This will allow for the appropriate sports medicine support from our sports medicine staff and their medical personnel.

Changing a Sport: If a student athlete is cut from a team, they may join another team in that sport season. A student athlete cannot quit one sport to join another sport until the original sport season has concluded. However, athletes will be allowed to transfer

from one sport to another during a given season upon mutual agreement of both coaches and the athletic director.

Cloth Uniform Purchase: Student athletes who purchase cloth uniforms as a part of being rostered on a team, i.e., hooded sweatshirt, equipment, or shoes, etc., are responsible for the cost of those items regardless of whether they remain with the team or quit prior to or during the season. Failure to pay will result in those costs being placed on the debt list with Rutland High School.

College-Bound Athletes and Recruiting: College recruiters visit Rutland High School at times to talk about the school with our student athletes. These visits should be arranged between the school, the family, and the coach. Student athletes will not be dismissed from class to meet with a college recruiter. These appointments should be made during study halls, lunchtime or after dismissal from school.

Conflicts Between Activities: Student athletes at Rutland High School are involved in a substantial number of school related activities away from sports. Conflicts are going to happen between a student athlete's commitment to their sport and other school related activities. If the conflict is between an academic class resulting in a credit and grade and an athletic contest or practice, the academic class takes precedent. Student athletes are encouraged to review their time commitment very closely before becoming involved in too many activities. Because of the demands of athletics at Rutland High School, it is exceedingly difficult to miss practices and contest and not get behind.

Dress: As representatives of Rutland High School athletics, when competing in a contest or taking part in any kind of award program or team function, student athletes are expected to dress and wear their clothing in an appropriate manner.

Hazing/Initiations: Hazing or an initiation of any team member by other team members is prohibited.

NCAA Clearinghouse Form: Student athletes who expect to compete on a collegiate level must first enroll with the NCAA Clearinghouse. No college coach will speak with a prospective student athlete until the form has been completed and approved by the NCAA. These forms may be obtained from the Guidance Office.

Participation in Two Sports in One Season: Student athletes may participate in more than one sport during a season. The coaches involved with this athlete will be expected to meet with the prospective student athlete and discuss and agree as to how this will take place. The student athlete will be asked to declare one of the sports as their primary sport for the duration of the season. This declaration will be used to resolve any conflicts that might arise between the two sports.

Participation after an injury: A student athlete cannot return to a practice/contest after an injury until released by an appropriate licensed medical authority. A parent(s) cannot grant approval to return to practice/contest that would be against the judgments of licensed medical personal.

Practices: Regular, Vacation and on School Closing Days: Student athletes are expected to attend all practices unless excused by their coach. The coach sets practice schedules during school vacations and only the coach can excuse. If there is a school closing, the coach will contact the individual team members and advise as to what will happen.

School Day Attendance: Student athletes who are absent from school will not participate, work, or attend any school events (for example: practice or games) on that day. You are to attend school the morning after evening athletic events/extracurricular activities or risk loss of participate privileges.

Selection of Teams: Each varsity coach will have their own policy as to how they will choose their teams. Some of our sports allow all those who come out to participate while others require a selection process to have the appropriate number of student

athletes on the teams. At the beginning of the season, if appropriate for that sport, the head coach will review with the student athletes who are trying out for the team what selection criteria will be used for selection to a team.

ACKNOWLEDGEMENT OF THE RISK OF INJURY FOUND IN HIGH SCHOOL SPORTS

Participation in high school athletics carries with it the very real potential for injury. It is reasonable to believe that at least one time during the four-year career of our student athletes, that they will face an injury that will result in missing one or more days of practice or contests. It must be clearly understood by our student athletes and their families that even with the proper coaching and support of our coaching staff, the use of proper equipment and tremendous facilities, injuries will take place. These injuries can range from, but not limited to, mild soreness, bruises, sprains and strains, dislocations, broken bones and concussions. It should also be clearly understood that some of these athletic injuries might result in catastrophic injuries including partial or full paralysis and in some instances the athlete may die. We need you help as a student athlete and as a family. Proper rest, nutrition and the adherence to the rules and guidelines established by the Rutland High School Athletic Department and the coaches of your sport, will go a long way to ensure that injuries do not happen.
